# KOJIMA (児島ジーンズストリート) Jeans Street

児島の中心に位置する味野商店街、シャッターを閉めたまま使われなくなった商店街。

この町を再生し、我々ジーンズを愛する者達が集う町に、2010年からスタートしました。

ジーンズショップ、カフェ、ギャラリーなど個性溢れるお店を誘致し、

ジーンズ文化を発信して行きます。

Long ago the Ajino shopping area was the center of old Kojima city.

However it has since been abandoned.

In 2010, we, the crazy Jeans lovers of the city, united to start a dream project transforming this abandoned street into "Kojima Jeans Street".

Jeans shops, cafes and galleries came to join us in reviving the street. It has now become a hot spot for Jeans lovers. This street is a symbol of our history and culture with Jeans.

#### 一点一点を作品と捉え、デザイナー自らプリント・縫製に携わっている「Artist Goods Store」

"Artists goods store" -fashion and accessories with an artistic inspiration! Sewn and printed, one by one, by the hand of designers and artists. "Fun to wear and happy to carry" is our concept. Sometimes with a bit of healthy artistic irony. Most unique!
